

Greetings from Cairo!

Rev Farag said, "Even though we may be going through extremely painful times, we do not fear, for God will get us through the hard times we face. We trust that if God took us to it, He'll get us through it".

We were blessed by the visit of the Archbishop Mouner to the deaf unit on the Sunday of Thanksgiving. The children and their parents were so happy and gave many different gifts as well.

The archbishop spoke to the parents and the staff and encouraged them to think for a better future for their children. He also met the Bible Translation team and encouraged them.

The children are happy to be in the boarding house with the deaf house mothers, who are doing a brilliant job. The children feel it is like their home, and they are very proud to be part of the Deaf Unit and get on well with their teachers.

This month we are so thankful for the progress of Sa'ed (left) and Ehab. They are working hard in the classroom and at the workshop. In the photo they are making a bed. They are helping at the boarding house for boys. They are both from Upper Egypt and have a strong vision to help the deaf there in the future. Both of them want to be Teachers of the Deaf. As they are doing very well in their lessons, this is a possibility. We wish them all the best.

The children still pray for our country for peace and a better future. During the Sunday morning and evening services, they always remember our country and the government. They thank God for what He provides for them. They also pray for each other, the Deaf Unit, the Archbishop and for the financial needs of the Deaf Unit. We are grateful to God that they can see His answers to their prayers. So this strengthens their hope and trust in Him.

The ladies are so happy at the Vocational Training Center. They have a strong desire to keep going, although there are some difficulties. One of them told us that it is her home and she will do her best to keep it clean and tidy. They have started to be creative and are thinking of new products they can make.

The men and the trainees are also working hard to prepare some work for Christmas. We pray for protection for them and for more work to cover their costs. We are looking to train more people in the future.

The Bible translation team is working hard and are so thankful that God always provides.

Early this month, the Archbishop of York visited the diocese. He encouraged the Deaf Church by sitting and signing with them. He shows a special love and respect for them.

We thank God for:

- 1) Michel's daughter (Lauren)
- 2) Father Emil as priest for the hearing church
- 3) the new big screen
- 4) the visit of Rev Yasho from the EST
- 5) the new Stove for the kitchen
- 6) The help and support of Embrace the Middle East, CBM, MCC, the Archbishop of York and all our brothers in and outside Egypt.
